

# Television Guide

1. Leelee Sobieski is the object of the affections of Chris Klein and Josh Hartnett in the not much recommended **Here On Earth** (Prime, Friday, 8.30pm).  
 2. It used to be automatic to say Connery was the Bond but Brosnan is breathing down his neck. The last Connery Bond **Never Say Never Again** (Ten, Saturday, 8.30pm) benefits from the presence of edgy villain Klaus-Maria Brandauer.  
 3. Sunday is a wasteland this week. Prime has opted out of the ratings game by scheduling the worthy but overlong **Anne Frank** (8.30pm). Ten has Kate Atkinson (pictured) from *Sea Change* and *Fat Cow Motel* in the Australian movie **Temptation** (8.30pm) which looks like it never had a theatrical release.  
 4. Clint Eastwood and Tommy Lee Jones are two of the superannuated stars in **Space Cowboys** (NBN, 8.30pm), aka *Cosmic Geriatrics*.
