Job Placement Employment and Training Program

JPET SELECTION PROCESS - JPET 2004 SELECTION DOCUMENT
FaCS/03/T346

The Job Placement, Employment and Training (JPET) program is a highly successful initiative administered by the Australian Government Department of Family and Community Services (FaCS).

The objective of the JPET program is to assist young people, 15 to 21 years of age who are homeless or at risk of homelessness, to overcome personal and social barriers and engage more fully in the life of their communities to achieve greater social and economic participation.

The Program will be delivered by a network of community, not-for-profit and other organisations. Registrations of Interest are invited from eligible organisations to provide services to young people eligible to participate in the Program.

The JPET provider selection process is a two-phase process.

Phase One - Registration of Interest (ROI)
Organisations are invited to register their interest in applying for JPET funding. ROI is **mandatory** for further participation in the JPET provider selection process.

Phase Two - Invitation to Apply
Eligible organisations that have registered an interest in applying and meet the conditions of lodgement for the registration of interest, will be invited to submit an application for the provision of JPET services.

Information about the selection process and an electronic copy of the Registration of Interest Form and selection documentation can be obtained from our internet site www.facs.gov.au/jpselection. Hardcopy versions of the materials are available by calling our hotline 1800 672 373 (free call).

Registrations of interest must be received no later than **5pm EST Thursday 23 October 2003**.
