

Television Guide

1. John Malkovich stars in a film about his own brain, **Being John Malkovich** (Prime, Saturday, 11.10pm). Screening this *after* the older and inferior **Mrs Doubtfire** (8.30pm) is a Prime own goal.
 2. Sean Connery gets a meaty role as a mentor in the predictable **Finding Forrester** (Ten, Sunday, 8.30pm).
 3. Why show one Kevin Costner disaster when you can show two? The bomb **3000 Miles to Graceland** (NBN, Sunday, 8.30pm) is followed by **The Postman**, which also fails to deliver.
