

Television Guide

1. In the not-to-be-missed category is Fellini's surreal **Satyricon** (SBS, Sunday, 10.50pm), roughly based on Petronius Arbiter's first century prototype novel.
 2. Another good film based on a good book is **The Shipping News** (Prime, Sunday, 8.30pm), starring Kevin Spacey and Judi Dench.
 3. The RTA says this happens when you exceed the speed limit by 2kph. Actually it's a typical scene from **The Fast and the Furious** (Ten, Tuesday, 9.30pm), in which Vin Diesel and Paul Walker consider the meaning of life as rack and pinion steering.
 Among the ABC's better nights is Monday, featuring **Creature Comforts**, **Coupling** and **The Office** (9.20-10.30pm), all first-rate comedies.
